Re: **Heitzner v. Gibson**
07 Civ. 06690 (KMK)

6699

Your Honor:

We represent Plaintiff in the above-referenced matter and received permission to fax the instant correspondence from Eric in Chambers.

Pursuant to the court conference held before Your Honor earlier today on this case and another case, Furlong v. Gibson, 07 Civ. 3825 (KMK), I mentioned that I intended to file a second amended complaint by tomorrow in both cases to clarify some things in the respective complaints. Following the conference, I realized that we cannot until we receive Your Honor's permission to do so since a first amended complaint has already been filed.

Accordingly and with the consent of Assistant Attorney General Peter Siström who represents Defendants, we respectfully request leave to file a second amended complaint which will also include removing the State of New York and the New York State Division of Human Rights as Defendants and from the caption.
